Glinde, October 2021

Invitation to apply

FORMART 2022

28. International Art Exhibition
at Marcellin-Verbe-Haus, Glinde
22nd – 24th of April 2022

Dear artists,

We are looking forward receiving your application!

To gain a fully understanding about concept and framework for next year's FORM-A(R)T we gathered all necessary information as followed:

For organizational reasons we ask you to submit your **complete application materials** latest **to the 05th of December 2021** (received by Art Association Glinde).

➤ **Only !!! Online application** under www.kvglinde.de/foa-bewerbung (details page 3)

At the 34th Cultural weeks 2022, Art Association Glinde presents the 28st international art exhibition **FORM-A(R)T**. As in previous years, place of the exhibition will be the centrally located Marcellin-Verbe-Haus (community center) at Glinde.

The traditional Cultural weeks of Glinde are private initiated series of events of music, theater, literature and visual arts.

We understand the FORM-A(R)T as a meeting forum between artists and audiences and artists together.

PARTICIPANT

This invitation addresses primarily international and national artists from **northern Germany** as well as **neighbouring countries of northern Europe**.

Nevertheless, we do not restrict artists from other regions to participate and are looking forward for their applications too.

The Art Association is dedicated to an adequate presentation for each artist and their works. Therefore the **number of participants** will be **limited**. The number of participants is expected to be less than 50 exhibitors due to the corona pandemic-related conditions.

TENOR / CONCEPT

The aim is to exhibit a high artistic level while the FORM-A(R)T should in particular thrive on their international and artistic diversity. All kinds of visual arts are allowed. The FORM-A(R)T is not explicitly covered by a separate topic.

Exhibits at the FORM-A(R)T may be sold. The organizer has no financial interest in the sale. A color exhibition catalog will be printed

PLACE OF EXHIBITION

Glinde with its roughly 18.000 citizens is located around 8 km east from the city limit of Hamburg and part of Schleswig-Holstein. It is directly connected by bus and metro to the city of Hamburg (Hamburg Transport Association). More information about Glinde you will find on www.glinde.de.

The experience of the past 27 international exhibitions have shown that despite the proximity of the exhibition site Glinde to the city of Hamburg, exposures predominantly attracted interest in regional areas (Counties Stormarn, Segeberg and Herzogtum-Lauenburg and the neighbouring Stormarn Hamburg districts).

The number of visitors from Hamburg and the metropolitan region as well as more remote districts in Niedersachsen, Schleswig-Holstein and Mecklenburg-Vorpommern is growing year by year but were yet under similar designed exhibitions in Hamburg. Visitors to the international exhibitions of the past 27 years were all knowledgeable and very interested.

EXHIBITION BUILDING

The exhibition building is the Marcellin-Verbe-Haus which was constructed in the 60's and placed in the center of Glinde, right next to the Town Hall at the redesigned marketplace.

The two-story building is used as a community center. The ground floor houses the public library, the 2nd a hall with stage.

The **Marcellin-Verbe-Haus** is a **multi-purpose building** that was **not** built to art exhibition purposes. You should not expect a gallery moderate standard from the exhibition building. The walls throughout the bright rooms are equipped almost exclusively with hanging rail systems.

Wall areas and movable walls will be provided as presentation areas. Pedestals for sculptures, etc. are not available and need to be provided by you. In justified cases, tables may be used alternatively.

There are 2 larger rooms, 1 ballroom, 2 foyers and 1 hall foyer area available for use. On in total three floors in the exhibition building we provide approx. 600 m² exhibition space. All rooms - except for the hallway – have a window front page. The ballroom has two window areas (West and East) and almost no walls at all. Movable walls will be provided instead.

The organizer is committed to provide the hanging spaces to approximately **4,5 to 5,0 running meter for each exhibitor**. The space for sculptures and other objects is sized appropriately in relation to their size and number.

All movable and hanging spaces will be awarded new to each FORM-A(R)T. Repeatedly participating artists should **not** expect to receive their previous location.
